### **What to do next?**

Once our office has received a nomination from your home university and you have filled out the application and learning agreement forms, please ask your home institution to first send your application via email first to [guckirans@itu.edu.tr](mailto:guckirans@itu.edu.tr) before sending it to our office by regular post. **Please note that applications with missing documents will not be considered & declined.**

Applications received will be sent to the relevant faculty for evaluation. This process can take up to 3-4 weeks. If accepted, our office will issue an acceptance letter and send it to your email before sending it by regular post. You will also be notified if your application is declined.

During the evaluation period we would suggest that you take a look at our Exchange Student Guide, which can be found on the International Office website. It has been prepared to give you a guide of what to expect when you arrive in Istanbul, Turkey.

Please submit application forms to: Istanbul Teknik Üniversitesi
